

COVID19 Guidelines

For parents and staff to sign as an agreement to follow the operation of business to keep our center safe for the children.

- Doors will remain locked at all times - exit and entrance will only be at the front glass doors. Front desk people will manage the centers entrance and exit. Please ring the doorbell when you arrive to let the staff know you are there.
- No parents are allowed beyond the tables set up in the front foyer.
- Temperature will be taken upon arrival - if your child is over 100 degree they will not be allowed to enter the center.
 - Temperature will be taken 3 times during the day. If your child displays a high temperature of 100 you will be called immediately and you need to send someone on your call list to pick up your child.
 - we will isolate the child in another room alone so that they can wait for pick-up. - we can't administer Tylenol to your child.
- Hand sanitization will be done every 3 hours throughout the day along with hand washing every 30 minutes.
- There is to be no drinking from our water fountain, we have disposable cups for your child and they will be given water through a dispenser which contains filtered water. If your child brings their own water bottle we will not refill that bottle for them if they are done due to risk of contamination.
- We will have 4 rooms used for children classroom activities and they will only have 10 children per a room to follow the CDC guidelines for childcare.

All the above measures will be followed to protect the health of the staff and families utilizing the daycare, following the CDC guidelines. Please note the front desk staff will be asking some standardize questions as a precaution. Please sign below to acknowledge that you understand the new guidelines as we go through this time of pandemic situation.
